

Sports Turf Specialties, Inc. located in Wrentham, MA is seeking motivated individuals to join our growing team! Established in 2000, STS has designed, installed, and maintained high quality natural grass athletic fields throughout the Northeast. Current positions available listed below.

***Title:***

Athletic Field Construction – Full-Time

***Description:***

This position will work on various athletic fields throughout the Northeast region of the United States including professional, collegiate, private school, and municipalities. This position consists of heavy equipment operation, managing construction sites, laser grading, drainage installation, amending soils, installation of turfgrass, minor irrigation repair, and operation of CDL trucks. On-site training of equipment and daily practices will be provided by our professionals. Sports Turf Specialties offers competitive pay, benefits package, 401K, and vacation time. This is a full-time position.

***Required Experience:***

- Candidate must have previous construction, landscape, turfgrass experience or a degree/certification in construction, turfgrass, landscape, horticulture, or related field (2+ years).
- Candidate must have previous construction, landscape, turf-related equipment operation experience (2+ years).
- Candidate must have a valid driver's license, good driving record, and be able to pass a drug test.
- Candidate must be able to obtain a DOT Medical Card Prior to start date.
- Candidate must be able to obtain an Occupational Safety and Health Act (OSHA) 10 Construction Certification prior to start date.
- Candidate must be able to obtain a Massachusetts Hoisting Engineers License (2A/1C) within 3 months of start date.
- Candidate must be able to obtain a Commercial Driver's License – Class A with Air-Brake and Combination Endorsements within 3 months of start date. Training provided by STS professionals at no cost to individual.
- Candidate must have basic irrigation knowledge such as installing/adjusting a sprinkler head and programming an irrigation clock.
- Candidate must have prior experience driving a truck and trailer combination.
- Candidate must be willing to work in the winter months removing snow from retail complex as well as athletic fields throughout the Northeast.
- Candidate must be able to lift 50 pounds and willing to perform manual labor.
- Candidate must be willing to work as a team and as a solo individual.
- Candidate must be attentive and reliable, work in all weather conditions, work extended hours, and sometimes weekends, and be willing to travel throughout the Northeast.

***Compensation:***

Based on experience.

***Start Date:***

Spring 2017
